### IMMEDIATE RELEASE

**MJM Investigations announced today that it has changed its company name to G4S Compliance & Investigations; to support enhanced core solutions, a broader global reach and a new corporate brand.**

**Raleigh, NC**, January 2, 2009. Effective immediately MJM Investigations will change its name to G4S Compliance & Investigations. Along with the name change the company will reorganize its services into eight solution groups including the newly formed Corporate Solutions, and launch a new brand identity. The realignment of the company's offerings will better support the changing requirements that our customers face in today's market place and strengthen the company's position in the global compliance and investigations arena.

"To better convey all that we have to offer, we've changed our name to G4S Compliance & Investigations," said Michael Malone, President of G4S Compliance & Investigations. "While our company name is changing, all essential elements of the organization will remain the same. G4S Compliance & Investigations will continue to provide our customers with the same level of superior service," promised Malone.

"Moving forward, we will be better able to leverage our product and service offerings, particularly in the expanding compliance and corporate sector and to pool our vast resources to play a major role in this growing market," Malone announced. "We will also be better positioned to lead the development of new technologies, taking advantage of our considerable industry knowledge and expertise. G4S Compliance & Investigations is committed to developing new technologies that address tomorrow's demands while reducing risk and improving employee morale for clients."

G4S Compliance & Investigations will have eight core solution groups: Surveillance Solutions, Claims Solutions, Hotline Solutions, Fire Solutions, SIU Solutions, Employment Screening Solutions, Research Solutions and Corporate Solutions. The new name unifies the company's strategy of providing a platform for connecting complex investigation needs with experience, expertise and resolve.

Along with the name change, G4S Compliance & Investigations has adopted a new logo. The changes are effective immediately, and all future business activity will be undertaken with the new name; G4S Compliance & Investigations.
